Subject: FW: Activity in Case 2:11-cv-03480-FMO-CW James Estakhrian v. Mark Obenstine et al Motion to Alter Judgment
Date: Wednesday, April 24, 2019 7:24:00 AM

Mark, I received the request to alter judgment. Judge Olguin never approved the special master's findings. For good reason, it seems. If the judgment is altered as requested, we are going to end up in another year or two of proceedings litigating the issue. This needs to come to an end. Also, there was no meet and confer as required by the local rules before filing this motion. Given my efforts to help you and Obenstine come to a resolution, I found the motion surprising, especially since nothing was said about the subject.

Where are you with Obenstine on settlement talks?

Thanks,

Harry A. Safarian
